Here's How It Works!

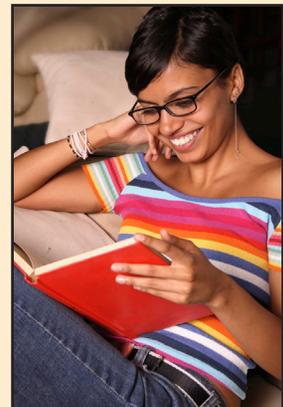

The Friends of the Burbank Public Library year-round Adopt-A-Book program is an opportunity for you to provide a gift to the community of Burbank.

A commemorative bookplate will be placed in your adopted item before it is added to the library collection.

You will receive a thank you letter and a receipt in the mail with a picture of your bookplate.

Your gift is a tax deductible donation that will help provide needed materials for the Burbank Public Library.
