JOB CONNECT IS HERE TO SUPPORT YOUR NEEDS AS A JOB SEEKER

Visit any Burbank Public Library location to:

- Use a public computer or high speed wifi to search for a job or use Microsoft Office
- Register with CalJOBS.ca.gov to access job listings and employment resources
- Print or photocopy your resume, cover letter or job listings (limits apply)
- Access online resources like JobNow, LinkedIn Learning and Coursera
- Find books and DVDs on subjects including career paths, practice tests and technical information
- Take a typing test to qualify for employment (\$5 charge for certification)

Visit the Spark! Digital Media Lab at the Burbank Central Library for access to advanced software and equipment to train for media industry jobs.

For more information, visit:
burbanklibrary.org/spark.

Additional assistance is available by appointment for services including:

- Navigating state and federal employment and unemployment services
- Computer help for job seekers
- Small business counseling with SCORE
- Connection to the Verdugo Jobs Center, adult literacy training, technology training and social services

Burbank Public Library regularly offers programs and training for job seekers and entrepreneurs. Visit burbanklibrary.org/events to see the latest offerings.
